Every one of the incumbents, from Lake needed a live, progressive citizen at the head to the foot of the municipal gov- the head of the government that time is We hold these truths to be self-evident-that ernment, with a single exception, has been now, and if there is one citizen here who is not alive and progressive it is ROBERT N

AT IT ALREADY. The Liberal organ gets down to the work of denouncing the Liberal nominees earlier than it did two years ago. Then it waited until after the election, and about two months longer, we believe, before it declared its party's favorites were "boodlers." On this occasion it begins this laudable labor a week after the nomifor place and antiquarianism as carefully nating convention and a week before the election. Yesterday the organ said of one of its party's nominees for councilman: the crowd which the Liberal bosses Liberal ticket from the First precinct. He should retire or be put off, or if he cannot be put off then the voters should attend to the matter on election day and see that he familiar! The man who at heart loves is defeated."

This is highly commendable, the course plates the evil which threatens, and thinks belog much better than that pursued two of two years of rule worse than the past years ago when the men were not denounced until they had been elected and the denunciation could not count. It is suggested to the organ, however, that there are twenty names on the ticket and if it scores my one a day only one-third of the list will be covered by election day.

IT APPEARS that the Italian government is patiently waiting to hear from Mr. BLAINE the result of the judicial inquiries into the causes of the murderous assault upon the New Orleans alleged "Maffa" The chief consulta of the Italian office lately remarked to a correspendent that that country is "pleased at ex pressions of good will on the part of our government, but would like to see them take some tangible form." He probably does not know that the attempt to estab lish complicity in the murder of the New Orleans chief of police on the part of the Muffa fell completely through, as did the attempt to show that members of the jury who acquitted the accused were bribed.

THE HERALD would like to see Congress pass Mr. Harcu's bill providing that all oleowargarine transported into any state to the laws thereof, in the same manner as though the oleomargarine had been probe as paintable and healthful as creamery but it ought to be properly labeled and no sold under false pretenses.

FOR LETTER HEADS.

Dimples.

The old idea of 40 years ago was that facial cruptions were due to a "blood humor," for which they gave potash. Thus all the old Sar parillas contain potash, a most objectionable and drastic mineral, that instead of decreasing, actually creates more eruptions. You have no-ticed this when taking other Sarsaparillas than Joy's. It is however now known that the stom ach, the blood creating power, is the seat of all vitiating or cleansing operations. A stomach clogged by indigestion or constipation, vitiates the blood, result pimples. A clean stomach and and most satisfactory. A short testimonial to C. D. Stuart, of 400 Hayes St., S. F., writes: " have for years had indigestion, I tried a popular Sarsaparilla but it actually caused more to break out on my face. Hearing that Joy's way a later preparation and acted differently, I tried it and the pimples immediately disappeared.
